

Mt Peak Chiropractic

INFORMED CONSENT

I specifically authorize the natural health practitioners at Mt Peak Chiropractic to perform a Morphogenic Technique (MFT) health analysis and to develop a natural, complementary health improvement program for me which may include dietary guidelines, nutritional supplements, and other natural treatments in order to assist me in improving my health, and not for the diagnosis, treatment, cure or prevention of any disease.

- I understand that MFT is a safe, natural method of analyzing the body's physical and nutritional needs.
- I understand that examinations, treatments and products are not intended to diagnose, treat, cure or prevent any disease including conditions of cancer, AIDS, Infections, or other medical conditions, and that these are not being tested for or treated.
- I understand that no guarantee or assurance of any specific result is given or implied.
- I understand that Mt Peak Chiropractic examinations, treatments and products do not supplant competent medical care.
- I understand that regular medical examinations for the early detection of disease are important.
- I understand that statements regarding examinations, treatments and products have not been evaluated by the FDA.
- I understand that the practitioners at Mt Peak Chiropractic encourage me to consult with a medical doctor before starting, stopping, increasing or decreasing prescription medication.
- I understand it is my responsibility to inform the Mt Peak Chiropractic practitioners of any illness or medications I am taking.

A HEALTHY LIFE STYLE

Our program is designed to help you establish a healthier lifestyle. Recommendations include food selection, exercise, and stress reduction. Results depend on earnest implementation of these recommendations. It often takes six to nine months to establish new healthful lifestyle patterns.

NUTRITIONAL SUPPLEMENTS, LASER & INFRARED TREATMENTS

- When taken at recommended dosages nutritional supplements are generally recognized as safe. Occasionally one may experience some temporary digestive upset. Rarely there can be a temporary allergic reaction.
- Some herbs have cautions and contraindications listed on the literature given when prescribed. Every effort is made to ensure it is the right herb for you. It is your responsibility to review the literature and get any questions answered before taking herbs.
- Keep all supplements & herbs out of reach of children; do not share herbs with other persons.
- Cold Laser treatments can stimulate cellular regeneration and natural healing. Direct eye exposure to laser light can cause permanent eye damage. Never look directly into the laser beam and never shine directly in a mirror, because looking at the reflection can cause permanent eye damage.
- Infrared lamps are FDA approved for conditions relating to the surface of the body. Heating of the eyes can cause serious injury always remove contact lenses and use eye protection when treatments are directed to your face. To prevent burns do not touch the infrared lamps.

AVAILABILITY AND NATURE OF OTHER OPTIONS

- Other options include: self-treatment, consultation with other health professionals and ignoring your symptoms.
- Some patients have asked if they can be tested in our office & purchase supplements elsewhere. This is not recommended because we cannot be sure of quality or freshness; careful shipping & storage of whole food supplements is necessary to ensure quality. There are also reports of fraudulent supplements sold on the Internet. Please inform us if you choose to get supplements elsewhere as it may be more difficult to get results and the doctor needs to take this into consideration.

PAYMENT FOR SERVICES & PRODUCTS

- Wellness services and products are not covered by any insurance plan. Insurance plans deal with injuries and illnesses.
- All fees for services and nutritional supplements are due prior to delivery. This is to keep you informed of charges before they are incurred and to provide faster service.
- To ensure freshness no returns of products will be accepted after 30 days. Returns must be in sealed containers, original cartons and in re-sale condition. No returns on Custom Blended Herbal Liquids.
- We request 24 hours advance notice for appointment cancellation or rescheduling. No notice may result in an office visit charge.

CONSENT

I have read or have had read to me the above explanation of MFT and related programs. I have discussed any questions I have with the attending chiropractor and have had my questions answered to my satisfaction. By signing below I state that I have weighed the risks and benefits of MFT and related programs and have decided that it is in my best interest to undergo MFT and give my consent to the aforementioned examinations and related programs.
